

Kaiser Tile

Grigio

Country

Country is a full-body porcelain that is often mistaken for real wood due to its natural finish and color variation. This series offers two warm browns, one light and one dark, and a fresh grey tone that can be used as a cool or warm compliment to your vision.

Kaiser Tile stocks Country in all three colors in the 6x36 and 9x36 sizes--Biondo, Bruno and Grigio. Unlike many wood-look tiles, Country offers decorative elements, bullnose and stair trims offering a complete design package.
