

# Kaiser Tile

## Solid Colors

The Solid Colors collection from Ceramiche Caesar is the perfect option to dress minimal spaces such as hotels, public venues and even contemporary residences through its elegant shades and sought-after surfaces.

Solid Colors offers warm and cool colors in fifteen shades, five of which are stocked in our Tempe warehouse in the 12X24 size-- Beige, Dove Beige and Nut from the warm palette and Dark Grey and Anthracite from the cool palette.

In addition, Solid Colors is made in Italy, is environmentally friendly and contributes to the allocation of LEED credits for green buildings.
