ONE

Touchable emotions. Vintage tones. Creative freedom.

The life of every single one of us is made up of unique moments, all able to tell a story, to evoke tactile sensations, to remind us of a color, a shape, an emotion.

The sense evoked by traditional terracotta and the contemporary mood of cement find the perfect merger in Caesar porcelain stoneware. A unique style, a unique harmony. ONE.

ONE is stocked in our Tempe location in the 12x24 size in Cement, Ground, Mud and Rope. Other available colors include Gesso and Indigo; other available sizes include 24x48, 12x48, 30x30, 10x30.
